

CALL FOR PARTICIPATION

Co-Design Workshop on Social Interaction in Semi-Automated Traffic

OBJECTIVES

We are inviting participants to take part in a co-design workshop exploring interactions among road users in semi-automated traffic environments. This engaging session will provide an opportunity to share your experiences, ideas, and perspectives on how road users can communicate and collaborate effectively in evolving traffic systems.

WHO CAN PARTICIPATE?

We welcome everyone to apply! Whether you are a pedestrian, cyclist, driver, or simply interested in how people interact in traffic, your thoughts and experiences matter.

No prior knowledge or expertise is needed—just a willingness to share your perspectives and ideas.

HOW TO APPLY

Interested participants must apply through the registration link below. Selected participants will be contacted with further details.
